Signature of Consultant

Issuing officer

Note:-

1. Consultant shall indicate the minimum percentage rate against item No. 1 of schedule 'A'. The percentage rate will be based on the actual estimated cost of works after finalization of preliminary concept/ drawing and the estimated cost will be worked out on MES-SSR - 2010 rates with amendment as applicable at the time of preparation of estimates.
2. Payments to the consultant shall base on the estimated cost at the time of award of work (Fixed Rate). No extra payment is admissible due to any increase in the cost of works as a result of tendering or due to deviations or variations during execution of work or due to escalation in prices of materials and labour or due to reworking designs/ modifications if any desired by MIDHANI.

3. If the cost of work on tendering for construction (Civil contract) comes below the estimated amount as calculated in (1) above, the accepted tender value will be taken for the purpose of payment to the consultant and the amount will be reduced on prorata basis.
4. In case of the scope of work is reduced by the deletion of works / services, the same quoted percentage will be valid for the revised / reduced estimated cost of the work.
5. In case of any discrepancy between words and figures in percentage quoted above, the quoted rates written in words shall prevail.
6. The technical parameters for design of building are indicated at Appendix - F-H.
7. The scope of work for consultancy, terms of payments and other conditions are detailed at Appendix A-I.
8. Income tax/other deductions as per statutory provisions shall deduct at source.
9. Consultant has to make their own arrangement for transport for the entire work.
10. The site plan, tentative plan enclosed are only indicative. The consultant has to make independent designs, drawings etc for the proposed corporate office.
11. The consultant is required to study all the pages of this document before quoting.

Note: - By signing this page the tenderer is hereby agrees to abide by all the terms & condition of these tender documents including the technical bid and the conditions thereon.
